SECURACORE

Why invest in technology for your home?

Proudly offering:

- ✓ Alarm.com
- ✓ SONOS
- ✓ Apple
- ✓ Samsung
- ✓ Lutron
- ✓ EERO
- ✓ and more!

We partner with custom home builders, architects, interior designers and real estate agents.

- **Convenience:** Automate routine tasks like adjusting thermostats, turning lights on/off, and locking doors. Control your home with just a few taps on your phone from anywhere.
- **Security:** Enhance a home's security with automated shades, locks, surveillance cameras, and alarm systems. Receive real-time alerts and monitor your home remotely.
- **Energy Efficiency:** Save on energy bills by optimizing your heating, cooling, and lighting systems. Schedule devices to turn off when not in use or a home is vacant. Monitor energy consumption or water usage in real time.
- **Comfort:** Create a comfortable living environment with automated climate control. Create personalized settings for different times of the day or zones in your home.
- **Peace of Mind:** Check on your home from anywhere in the world. Ensure everything is safe and secure, even when you're away.
- **Value:** Increase your property's value with the latest smart home technology. Home automation systems are attractive features for potential buyers.

A locally owned and operated Central Oregon business.

Quoted pricing is good for 30 days. After that, prices are subject to change without notice, and the price will be that in effect at the time of shipment or service.

Tariff Pass-Through Clause: In the event that any tariffs, duties, or additional taxes are imposed on the goods or services provided under this contract by any governmental authority, the Client agrees to bear the full cost of such tariffs, duties, or taxes. The Seller reserves the right to adjust the contract price accordingly, and such adjustments will be communicated to the Client in writing.

Owner's Representation and Responsibility.

- (1) Owner is the owner of the Property and is authorized to enter into this Agreement. Owner shall provide access to the property.
- (2) Owner shall be reasonably available to Contractor for consultation during all phases of the work.
- (3) Owner agrees to use reasonable judgment and exercise good faith in all decisions regarding the work on the job site.
- (4) Owner shall indemnify and hold Contractor harmless from any claims, damages, lawsuits or expenses resulting from negligence or errors or omissions committed by Owner or Owner's agents.
- (5) Owner shall bear all risk of loss, damage and casualty to the Property including but not limited to damage to vegetation, furniture and personal belongings of Owner.
- (6) Owner shall maintain at Owner's expense during the work property damage insurance.
- (7) Attorney Fees. If Owner is in default of payment, Owner shall pay Contractor, immediately on demand, Contractor's actual fees and expenses together with reasonable attorney fees, even though no suit or action is filed. If suit, action or arbitration is instituted to enforce any of the provisions of this Contract, the prevailing party shall be entitled to recover from the other party reasonable attorney fees, in addition to all other sums provided by statute.
